SYNESSO EXCLUSIVE STAINLESS STEEL STEAM TIPS

AUTO BACK FLUSH SETTING

WIRED HAND HELD DISPLAY

SAFARI RACK

WATER RESISTANT CUP WARMING TRAY

EASILY REMOVABLE DRAIN TRAY

## INDIVIDUALIZE YOUR MACHINE

### POWDER COAT

If you're looking for a way to further individualize your machine or tie it in more directly with your unique cafe, roastery, or lab design, we have a full spectrum of colors available for powder coating. We partner with a local company who specializes in the technique, and we use RAL values to assist the selection process. Below are some sample color tiles, and images of machines we have customized in the past, but you can also refer to this RAL List for more options and inspiration. \*Please keep in mind that appearance of colors may differ on various screens\*

### WOOD PACKAGE OPTIONS

Synesso offers four choices of hand crafted wood accents, compatible with any of our machines. Made by Polygon Space Agency, right here in Georgetown, wood kits are a great addition to class up your machine. Kits are universal to both Cynkra and MVP models and include steam actuators, portafilter handles, and brew handles. Pieces are also available separately.

**Model****2 Group****3 Group****Electrical:**

Voltage, Single Phase	220	220
Hertz	50/60	50/60
Amps – max draw	28 amp	40 amp
